Phuket

The excitement of Phuket begins when you are still aloft, the plane floating over the deep green islands of Phang-Nga Bay and then over the farms and forests, and bays and beaches of the island. Before the plane banks for its final run from the emerald sea, you know you are about to touch down on an island that holds some of Asia's most spectacular scenery.

The self-styled 'Pearl of the South' is the largest most celebrated and most popular of Thailand's resort islands. Phuket is exactly what you picture when you think of paradise. White sandy beaches, emerald bays and swaying palm trees. With some of the best scuba diving and snorkelling in the Gulf of Thailand, as well as the most happening nightlife, it has long been a magnet for those seeking adventure and relaxation alike.

Simply relax in a hammock and watch the sun sink into the sea while sipping a cocktail.
